

We are currently accepting proposals for the 2019 WV EMS Conference. Please include this form and all requested materials and information with your proposal. The date and location for the 2019 WV EMS Conference is to be determined.

Educational sessions and workshops will be presented on the Thursday and Friday of the conference. Each session will last 90 minutes and will need to be either Administrative or Clinical in content.

We are considering pre-conferences should our schedule and budget allow. If you are interested in submitting a proposal for a pre-conference course to be taught on Wednesday, please utilize this form and make a note of distinction. Pre-conference courses should be no longer than 4 hours.
